Dear Investor Account Holder(s),

Introducing 1Bill Digital Payment Solution for Un-Paid Letter of Rights for Non-RDA IAS Accountholders

In the past two decades, Central Depository Company has evolved as the infrastructure backbone and the Ultimate Custodian of the Pakistan Capital Market. In line with its vision to effect Ease of Doing Business through Digitization, CDC has successfully transformed a wide spectrum of mechanisms and processes, reimagining business, culture and customer experiences.

CDC's efforts in launching these services have been very well-received by all stakeholders, with more and more customers now opting to use CDC's digital platforms to leverage the convenience of the services offered. The landmark success of modernizing the IPO process by CDC is an evidential fact of the popularity of CDC's digital platforms with majority of the general public subscription requests now being submitted through CDC's eServices platform along with digital payments against these subscriptions.

Another area of concern that CDC seeks to improve through digitization is the inconvenience faced by investors in depositing payment for Right Subscription against their LoRs at designated banks' counter via cheque / pay order / cash. In line with the Government's strategy of effecting Ease of Doing Business and fostering an enabling investment climate in the country, **CDC has now introduced a facility whereby IAS account holders (Non – RDA) can make payments electronically against their LoR requests without having to submit the physical payment at the bank counter.**

We are enclosing herewith the guidelines on how IAS account holders can subscribe electronically using CDC Web Access Portal or CDC Access Mobile App and subsequently make online payments against their respective unpaid right subscription requests by using the 1Bill payment option available on their online banking portal.

We sincerely hope that you will appreciate CDC's efforts in fostering an enabling environment whereby investment transactions and subscriptions can be made conveniently from the comforts of your home.

Regards,

Investor Account Services
