Japanese consul general visits CDC offices

Karachi: A delegation from the Japanese Consulate in Karachi headed by Odagiri Toshio San, the consul general of Japan in Karachi, visited the Central Depository Company of Pakistan Limited (CDC).

Representatives of the well-known Japanese merchant firm and leading Pakistan businessmen also attended the event.

John M. Piracha, Chairman of CDC, welcomed the delegation and spoke about the long-term relations between Japan and Pakistan while stressing the need to foster greater ties in business and trade initiatives.

Naiidetha Ashir, CEO CDC, presented an overview of the Pakistan capital market landscape and CDC’s role in its development as an integral infrastructure institution that handles the settlement and custody of securities, while highlighting the association between CDC and Japan Securities Depository Center, Inc. (JASDEC), which is CDC’s counterpart from the Japanese Capital Market.

Japanese consul general Odagiri Toshio had a roundtable discussion on the achievements in transforming the Pakistani Capital Market. He said that “it is important to work further on bringing the two sides closer together for the benefit of both countries. Japan and Pakistan should bring together expertise and technology, particularly for bigger future projects through more effective Public-Private Partnerships.”

Muhammad Ali, Chairman Pakistan Stock Exchange (PSE) also applauded the efforts of CDC in the development of Pakistan’s Capital Market and highlighted that CDC has been a success story for Pakistan’s business landscape. He stressed on the need to scale up the efforts to strengthen the business ties between Pakistan and Japan for mutual benefit and progress.

The event was attended by prominent industry leaders, including Mr. Ashraf Khan, Chairman Pakistan Stock Exchange and Irfan Siddiqui, President Meeza Bank Limited.
Pakistan-Japan trade discussed
By our correspondent

KARACHI: A delegation from Japanese Consulate in Karachi, headed by Odagiri Toshio San, Consul General of Japan in Karachi visited the Central Depository Company of Pakistan Limited (CDC) on Wednesday to discuss bilateral relations between the two countries, a statement said.

Representatives from Pakistan-Japan Business Forum (PJBF) and leading Pakistani corporates also attended the event.

Moin M. Firda, Chairman CDC, welcomed the delegation and spoke about the long-term bilateral relations between the two countries while stressing on the need to foster greater ties on business and trade initiatives.

Badruddin Akber, CEO-CDC, presented an overview of the Pakistan capital market landscape and CDC’s role in its development as an integral infrastructure institution that handles the settlement and custody of securities, while highlighting the association between CDC and Japan Securities Depositories Center, Inc. (JASDEC), which is CDC’s counterpart from the Japanese capital market.

Speaking on the occasion, Odagiri Toshio San said, “It is important to work further on bringing the two sides closer together for the benefit of both countries. Japan and Pakistan should bring together expertise and technology, particularly for bigger future projects through more effective Public Private Partnerships.”
