

March 22, 2012

Dear Investor Account Holders,

This is to inform you that CDC has made changes in the Securities Deposit Form (SDF), wherein a new column for Date of Transfer/Issue has been inserted.

In this regard, Investor Account Holder while depositing securities will be required to insert the date of transfer/issue in the SDF as appearing on the Physical Certificate at the time of submission of deposit request to CDC Investor Account Services.

Please ensure to use the new SDF **with immediate effect** which can be obtained from any of our offices or download from our corporate website www.cdcpakistan.com. A specimen of the revised SDF is attached herewith for your ready reference and use. Please ensure to provide four copies of SDF for each deposit request as per the existing requirement.

Should you have any queries or concerns, please call our Customer Support Services at 0800—23275 (CDCPL).

Regards,

Ejaz Ali Shah
